NEIGHBORHOOD NEWS

The North Shoal Creek Neighborhood Association (NSCNA) serves residents living in the area bounded by Mo-Pac on the west, Research Blvd. on the north, Burnet Road on the east and Anderson Lane on the south.

NSCNA is a nonprofit organization whose purpose is to promote and protect the quality of life, safety, residential characteristics and property values of our neighborhood specifically, and of all neighborhoods in general.

Our newsletter, the **North Shoal Creek Neighborhood News**, is published quarterly and is delivered in printed format to over 1000 residents in our neighborhood. Our online version is emailed to twelve apartment and condominium complexes in our area.

Our website, www.nscna.org, is a hub for neighborhood activity. Our newsletter containing your ad also will be posted to our website as a PDF.
