### NORTH SHOAL CREEK NEIGHBORHOOD ASSOCIATION BOARD MEETING November 16, 2009

With no objection, the agenda for the board meeting was adopted.

The minutes of both the August 24, 2009 and October 12, 2009 board meetings were approved as corrected. The board recommends approval of the November 10, 2009 meeting minutes, a draft of which was circulated.

#### **Election Committee**

By consent, the Election Committee members were selected to be Randy Alexis, Dallas Maham, Helene Maham, and Lynda Oakes.

## Officer/Committee Reports

The Nominating Committee reported there are ten candidates, so far, which include all four officer positions. The committee will continue to recruit volunteers for all spots.

The yahoo group administrators, Cheri Hartman, Juliette Kernion, and Alyssa Hedge, report that the discussions have been civil and the new guidelines are working.

# **Upcoming Events**

The format for the crime prevention meeting at Pillow for 11/17 was discussed. The goal of the meeting is to facilitate identification of crime prevention ideas and find some key volunteers to work on a plan. The board agreed that the NSCNA can be a forum for discussion and help advocate for solutions, but is not the source of particular solution, since the issue of crime prevention is a neighborhood-wise issue.

The upcoming 11/21 fundraiser for the library was discussed.

#### **Announcements**

- The next board meeting is 12/23/2009, which most likely will be canceled.

No further business coming before the meeting, the meeting was adjourned at 7:53p.m.
