

Neighborhood Residents Survey

The North Shoal Creek Neighborhood Association (NSCNA) Board of Directors values your opinion and would like to ask for your participation in this survey designed to identify what is important to North Shoal Creek residents. The Board will use the results to assist in determining the priorities for planning activities in 2016.

NSCNA is a neighborhood residents' association, not a homeowners' association. The NSCNA is a Texas non-profit corporation and its purpose is to promote and protect the quality of life, safety, residential characteristics and property values of the neighborhood specifically, and all neighborhoods generally.

Please submit the survey by **Saturday, March 26**. You may scan / email the survey to survey@nscna.org, mail the survey to NSCNA Survey, PO Box 66443, Austin, TX 78766, or complete the survey online at www.nscna.org.

For each item on the survey, **please circle** the number that best describes its importance to you.
