

## ADVERTISING WITH THE NORTH SHOAL CREEK NEIGHBORHOOD ASSOCIATION

The North Shoal Creek Neighborhood Association (NSCNA) offers online advertising at its website, [nscna.org](http://nscna.org). Two ad sizes are available: **200x100 pixels for \$30 per month** and **200x200 pixels for \$50 per month**.

We accept ads via email. Ad copy needs to be properly sized to fit our format and attached to your email in jpg, png, or gif format. Our email address is [newsletter@nscna.org](mailto:newsletter@nscna.org). Please tell us the ad size you want and the months you want your ad to run. Both ad payment and ad are due a week before the first month the ad is to appear on our website.

The North Shoal Creek Neighborhood Association board reserves the right to reject ads with inappropriate content.

Our association works to promote community in the area stretching from Burnet Road to Mopac, and from Anderson Lane to Hwy 183. We are a nonprofit organization that works on behalf of the neighborhood. Our board is composed of association members, and membership is open to all North Shoal Creek property owners and renters.

Advertising at [nscna.org](http://nscna.org) gets your business noticed by an active community of over 1,000 Central Austin neighbors. Our website is a hub of community activity where residents go to learn more about the neighborhood including shopping, dining, and local events. It's a great way to stand out and generate sales while supporting the community surrounding your business.
